

## MwAPATA visits LUANAR Vice Chancellor

Attendees gather after the meeting, from left: Prof. Richard Mkandiwire (Board Chair-MwAPATA); Dr. Samson P. Katengeza (Dir. of Research & Outreach-LUANAR), Prof. Emmanuel Kaunda (Vice Chancellor-LUANAR), Mr. William Chadza (Executive Director-MwAPATA), Dr. William Burke (Acting Research Director-MwAPATA), Dr. Milu Muyanga (Partnership Coordinator-MwAPATA)

A delegation from the MwAPATA Institute was honored to visit the Vice Chancellor of LUANAR, [Professor Emmanuel Kaunda](#). Also present from LUANAR were the University Registrar and the Director of Research and Outreach.

The parties discussed the ongoing and future collaboration between the University and the Institute in both broad and specific terms. Currently the organizations are working together on several studies relating to land issues, farmer commercialization and domestic animal feed production.
