

DATA SYMPOSIUM ON FERTILIZER AND SOIL HEALTH

10TH OCTOBER
— 2024

8:30AM - 1:00PM

SUNBIRD CAPITAL
LILONGWE

On 10 October 2024, MwAPATA Institute conducted a Data Symposium on “Fertilizer and Soil Health”, at Sunbird Capital Hotel in Lilongwe. The symposium’s objective was to increase awareness of existing, publicly accessible data and promote knowledge sharing essential for advancing the goals of the country’s 10-Year Action Plan.
