

**MwAPATA Institute welcomes the Director of Agriculture Programs and Partnerships from the Foundation for Smoke-Free World (FSFW)
Monday 20th March 2023 || Lilongwe, Malawi**

Mr. Scott Kleinberg, Director of Agriculture Programs and Partnerships at the Foundation for a Smoke-Free World (FSFW) on Monday 20th March 2023 visited MwAPATA Institute offices. He was welcomed by the Chairperson of the MwAPATA Board of Directors Prof. Richard Mkandawire and the Executive Director Mr. William Chadza.

The Foundation for Smoke Free World has been financially supporting MwAPATA Institute through the Michigan State University Food Security Group since its inception in 2019. The Foundation also provides support to MSU for the Policy Support for Agriculture Transformation (PoSAT) which is a project for the Ministry of Agriculture.
